EMPLOYEE TRAINING

Ensure personnel is fully trained on the below prior to opening. Consider hosting a training day 2-3 days before opening.

- How is the layout of the store and use of certain equipment going to differ when we return?
- Social distancing guidelines and expectations.
- How to monitor personal health and body temperature at home.
- How to properly wear, remove, and dispose of face masks and PPE.
- Guidance on how to launder cloth face masks and uniforms.
- Cleaning protocol, including how to safely and effectively use cleaning supplies.

HIRING PROCESS

Evaluate the need to hire additional employees due to increased business needs or unavailability of current employee pool. Please contact Property Team to strategize how we can help you in this effort.
